JOURNAL--CITY COUNCIL--CHICAGO

6/25/2014

**WHEREAS**, In 2008, the Supreme Court of the United States decided the case *District of Columbia v. Heller*, and held that the Second Amendment to the United States Constitution protects an individual's right to possess a firearm unconnected with service in the militia; and

**WHEREAS**, In 2010, the Supreme Court issued its opinion in *McDonald v. City of Chicago*, and held that the Second Amendment's right to possess a handgun for self-defense in the home also applied to the states; and

**WHEREAS**, On January 6, 2014, in *Illinois Association of Firearms Retailers v. The City of Chicago*, the United States District Court for the Northern District of Illinois declared that the City of Chicago's (the "City") ban on the sale and transfer of firearms was unconstitutional under the Second Amendment; and

**WHEREAS**, Every year, more than 100,000 people in our nation are injured, maimed or killed with a firearm; and

**WHEREAS**, Firearm-related injuries and deaths are the cause of significant social and economic costs to the City and our communities and have a severe impact on our criminal justice and health care systems; and

**WHEREAS**, The majority of all firearms recovered in crimes were originally sold by licensed firearms dealers; and

**WHEREAS**, The Bureau of Alcohol, Tobacco, Firearms and Explosives (the "ATF") has reported that straw purchasing from licensed firearms dealers is the most common way in which firearms are diverted to the illegal gun market; and

**WHEREAS**, In 2012, more than 16,000 firearms were lost or stolen from licensed firearms dealers across the country; and

**WHEREAS**, The ATF licenses and regulates firearms dealers, but the State of Illinois does not require any such license; and

**WHEREAS**, Research has shown that state and local regulation of firearms dealers, coupled with regular compliance inspections, is associated with significantly less illegal gun trafficking, straw purchasing and firearm theft; and

**WHEREAS**, In order to provide for the ongoing protection of the public welfare and safety, it is essential for the City Council of the City of Chicago to promptly pass an ordinance that provides for reasonable regulation of the sale and transfer of firearms, including regulations for the effective licensing of firearm dealers; now, therefore,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:**

An applicant's failure to adhere to a written plan of operation approved by the commissioner pursuant to this subsection shall constitute a basis to impose a fine and to suspend or revoke any shooting range facility license subsequently issued, as appropriate.

(g e) At the time an application for a license is originally filed or subsequently renewed, the applicant or licensee shall provide proof to the department that the applicant or licensee has obtained the insurance required pursuant to Section 4-151-070.

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the City and Park District agree as follows:

## **SECTION 1.**

### **THE GRANT.**

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Park District for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by DPD, and only after Park District has submitted Certificate(s) of Expenditure to DPD (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Park District may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Park District must submit documentation regarding the applicable expenditures to DPD. Delivery by Park District to DPD of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;

1.3. Park District hereby acknowledges and agrees that the Grant must be used exclusively for the Project. If the Grant should exceed the costs of the Project, Park District must repay to the City any such excess Grant funds received by Park District.

1.4. Park District is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Park District be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

1.5. The source of funds for the City's obligations under this Agreement are funds identified by CAPS Codes: PS36 131 54 5036 2604 (\$260,000) and PS02 131 54 5002 2604 (\$24,000). C. Schedule. Park District has prepared a preliminary schedule for the development and construction of the Project as set forth on Exhibit D (the "Schedule"). No material deviation from the Schedule will be made without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of DPD be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

4.5. It is the duty of the Park District and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Park District and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. 4.16 Independent Contractor

(a) The Park District shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and June 24, 2011 "City of Chicago Hiring Plan!!" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

83776

JOURNAL--CITY COUNCIL--CHICAGO

6/25/2014

(c) Park District is aware that City policy prohibits City employees from directing any individual to apply for a position with Park District, either as an employee or as a subcontractor, and from directing Park District to hire an individual as an employee or as a subcontractor. Accordingly, Park District must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Park District under this Agreement are employees or subcontractors of Park District, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Park District.

(d) Park District will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Park District by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Park District will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight") and also to the head of DPD. Park District will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

#### 4.17 FOIA and Local Records Act Compliance

(a) FOIA. Park District acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Park District receives a request from the City to produce records within the scope of FOIA, then Park District covenants to comply with such request within 48 hours of the date of such request. Failure by Park District to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Park District submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Park District to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Park District mark any such documents as "proprietary, privileged or confidential." If Park District marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Park District acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1, et. Seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Park District covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

5.2. Park District agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Park District must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed. The City reserves the right to inspect the work being done on the Property. Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Park District.

5.3. Prior to inspecting the Property, Park District or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

## **SECTION 6.**

### **INSURANCE.**

6.1. Park District must provide and maintain at Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

6.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

JOURNAL--CITY COUNCIL--CHICAGO

6/25/2014

6.1.4. Professional Liability. When any architects, engineers, or other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained or caused to be maintained, with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

6.1.5 Self- Insurance. To the extent permitted by applicable law, the Park District may self- insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self-insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

6.2. ADDITIONAL REQUIREMENTS. Park District must furnish the City of Chicago, Department of Planning and Development, 121 N. LaSalle Street, Room 1101, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Park District must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Park District is not a waiver by the City of any requirements for Park District to obtain and maintain the specified coverages. Park District must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Park District of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Park District.

Park District agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Park District in no way limit Park District's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Park District under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Park District must require all subcontractors to provide insurance required in this Agreement, or Park District may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Park District unless otherwise specified in this Agreement.

Pursuant to the Zoning Ordinance, Section 17-8-0911 and Section 13-32-230 of the Municipal Code, the Applicant acknowledges that planned developments should give priority to the adaptive reuse of historic buildings which have been designated as a "Chicago Landmark" or color-coded red or orange in the Chicago Historic Resources Survey. Therefore, the Applicant agrees to retain and preserve, as much as reasonably possible, the character-defining features of the building. The character-defining features are identified as all exterior elevations, including rooflines, visible from the public rights-of-way. REPORTS OF COMMITTEES

The following is resolution as adopted:

WHEREAS, The Leavitt Street Tavern LLC, members Theodore J. Harris, Sara Isabel Brick, Daniel T. Brick and Brenda Brick, filed on April 2, 2014, an application for an Administrative Adjustment pursuant to Article 17-13-1000 of the Chicago Zoning Ordinance for the approval of the change of licensee and continued operation of an existing tavern in a two-story building in an RT4 Residential Two-Flat, Townhouse and Multi-Unit District, on premises at 2345 North Leavitt Street.

WHEREAS, The decision of the Office of the Zoning Administrator rendered February 20, 2014 reads:

; and

WHEREAS, The district map shows that the premises is located in an RT4 Residential Two-Flat, Townhouse and Multi-Unit District.

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an RT4 Residential Two-Flat, Townhouse and Multi-Unit District; that the subject site is improved with a two-story building containing an existing tavern; that on July 12, 1990 the City Council passed an ordinance requiring an exception for the approval of the change of license of an existing tavern located in a residence district; that the existing tavern is to be operated under a new license; that the majority of the tavern patrons come from the local neighborhood and that the continued operation of the tavern at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the tavern in such a manner to insure that the public health, safety and welfare will be adequately protected; and that the continued operation of the existing tavern will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

**CALL UPON ILLINOIS CONGRESSIONAL DELEGATION TO CREATE NATIONAL GUN REGISTRY.**

[R2014-470]

WHEREAS, Gun violence is not only an issue in the City of Chicago, it is a national issue in the United States of America residing as the cornerstone of domestic policy regarding safety and security; and

84326

JOURNAL--CITY COUNCIL--CHICAGO

6/25/2014

WHEREAS, At least 500,000 guns are stolen annually from residences, but only 173,000 of those were reported lost or stolen to law enforcement; and

WHEREAS, In 2012, more than 16,000 firearms were lost or stolen from licensed firearms dealers across the country; and

WHEREAS, The Federal Bureau of Alcohol, Tobacco and Firearms reported that 14 percent of gun trafficking investigations involved guns stolen from gun dealers; and

WHEREAS, Congress has the Enumerated Authority under the Commerce Clause of the Constitution of the United States of America to regulate gun possession nationwide. The United States Supreme Court has identified three types of activities that Congress can regulate under their enumerated authority including regulation of the use of channels of interstate commerce, regulation and protection of the instrumentalities of interstate commerce and regulation of activities that have a substantial relation to interstate commerce; and

WHEREAS, Gun possession falls into the scope of interstate commerce since commerce includes all phases of business, including navigation and in order for one to acquire a gun, the original source must derive from a firearms and weapons dealer -- a legally regulated business in the United States; and

WHEREAS, "Among the several states" has been interpreted expansively as any commerce which concerns more states than one and interpreted more narrowly as those activities that have an impact on interstate activities; and

WHEREAS, Gun possession concerns more than one municipality and state and would also have an impact on interstate activities since a resident may lawfully possess a firearm in one state and transport this firearm illegally into a different state for disbursement, or a resident who cannot lawfully purchase a firearm in one municipality or state can obtain a firearm with differing restrictions in a different locality, which adversely affects the goals and objectives of various municipal and state legislation; and

WHEREAS, A comprehensive national system of gun registration currently does not exist in the United States; and

WHEREAS, A national gun registry can lead to the following benefits for not only the City of Chicago, but also all other municipalities in the United States of America:

- 1) identification and prosecution of violent criminals by helping law enforcement quickly and reliably identify the source of firearms recovered from crime scenes;
- 2) retrieval of firearms from persons who have become legally prohibited from possessing them through criminal convictions or other prohibitions; and
- 3) the reduction of illegal firearm sales and transfers by creating accountability for gun owners

*RECOGNITION EXTENDED TO BURNSIDE ELEMENTARY SCHOOL  
DESEGREGATION SIT-IN ON 52<sup>ND</sup> ANNIVERSARY.*

[R2014-475]

WHEREAS, The Burnside Elementary School Desegregation Sit-In, which honors a watershed moment in modern local civil rights history, is celebrating its 52<sup>nd</sup> anniversary honoring the fight for educational opportunity and equality in public educational institutions in Chicago during June 2014; and

WHEREAS, This august body has been informed of this important milestone by the Honorable Michelle A. Harris, Alderman of the 8<sup>th</sup> Ward; and

WHEREAS, May 17, 2014, marked the 60<sup>th</sup> anniversary of the landmark 1954 U.S. Supreme Court decision, *Brown v. Board of Education* and July 2, 2014 marks the 50<sup>th</sup> anniversary of the 1964 Civil Rights Act; and

WHEREAS, The movement to desegregate schools in Chicago began on a cold winter day on January 2, 1962, with a sit-in at Burnside Elementary School. It was organized by a group of dissatisfied PTA mothers and in many ways was the spark that ignited the Civil Rights Movement in Chicago; and

WHEREAS, The sit-in was in response to a highly unpopular and widely considered demeaning plan to relieve overcrowded conditions at Burnside Elementary School. The Chicago Board of Education ordered 7<sup>th</sup> and 8<sup>th</sup> grade students living east of the former South Park Boulevard (now Dr. Martin Luther King, Jr. Drive) and south of the railroad tracks to transfer to Gillespie Upper Grade Center located at 9301 South State Street. This order came in late December 1961, right before the Christmas holiday vacation. This action would force some students to now walk 17 blocks to school. The Chicago Board of Education,

84332

JOURNAL--CITY COUNCIL--CHICAGO

6/25/2014

which was then under the leadership of school superintendent Benjamin C. Willis, preferred transferring Black students rather than integrating the then predominantly white Perry Elementary School (now Harold Washington School), located at 9130 South University Avenue, which was a few convenient blocks from Burnside Elementary School; and

WHEREAS, Since its launch in 1962, the Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> movement has established a well-deserved reputation and quiet historical recognition for pushing toward the desegregation of Chicago schools during a time when the U.S., as well as Chicago were grappling with a range of civil and human rights issues affecting African-Americans. Over 200,000 students, parents and concerned Chicagoans boycotted, sat-in and walked-out of overcrowded and deteriorating schools on the South and West side of the City, in protest of "Willis Wagons" and other inequities, making an important statement among young people, community and religious activists, as well as everyday citizens and those in the affected communities; and

WHEREAS, During the past 52 years, the little-discussed, yet pivotal story of the strength, fortitude and bravery of a committed group of PTA mothers and concerned parents fighting for educational equality for Black children in Chicago Public Schools during the 1960's has existed on the periphery of local history; and

WHEREAS, Today, a renewed interest in and awareness of the accomplishments of Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary has encouraged Chicago genealogist Tony Burroughs and others to take another well-deserved look at this fight for educational justice and parity, which was designed to give a strong voice to those in economically and socially challenged communities throughout Chicago and led to the arrival of Dr. Martin Luther King, Jr. in Chicago during 1965 -- 1966 in support of this and other relevant civil rights and social justice causes; and

WHEREAS, In addition, the Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary helped leverage public-private opinion to effect social change and improved the lives of thousands of Chicago students, by providing them citywide access to schools that enabled them to positively focus on the future; and

WHEREAS, The Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary is overdue to be recognized for launching this movement, and triggering similar sit-ins and walkouts across the City. The "Burnside Mothers" goal was to reach the least and left out through direct action outreach, while successfully grooming the next generations to hold high the torch of excellence and equality in public education; and

WHEREAS, During these challenging times, the continuing dedication of the Burnside Elementary School Desegregation Sit-In survivors who inspired the creation of a photo mosaic mural dedicated to telling the story to future generations of leaders during this 52<sup>nd</sup> anniversary year deserves citywide recognition, as they seek to dramatically display the strategic social action of youth, adults, working families, and others throughout Chicago and beyond; and

6/25/2014

AGREED CALENDAR

84333

WHEREAS, The Chicago City Council is pleased to salute the Burnside Elementary School Desegregation Sit-In, in honor of its 52<sup>nd</sup> anniversary for their longstanding dedication to creating a better City for all its residents; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 25<sup>th</sup> day of June 2014 A.D., do hereby express our recognition and respect for this important historical legacy with respect to the educational equality for all Chicago Public School students, and do hereby extend to this group our sincere congratulations for their resistance and perseverance; and

*Be It Further Resolved*, That a suitable copy of this resolution be prepared and presented to the surviving members of the coalition in recognition and honor of Burnside Elementary School Desegregation Sit-In 52<sup>nd</sup> anniversary.
